Black History Month Competition

Blackpool FC Community Trust in partnership with Blackpool FC would like to invite you and your school to take part in our Black History Month competition. For Black History Month this year we are asking pupils to produce a newspaper front cover on an **Inspirational Black Person**.

Pupils are invited to submit a piece on an inspirational black person from any field that has inspired them in any way. This competition is to celebrate and honour the achievements of black people such as Martin Luther King, Bob Marley, Rosa Parks or even those closer to home such as teachers and family members.

The competition winner will receive a Blackpool FC kit and BFC goody bag as well as a BFC player visit for your school, to receive their prize.

- To enter this competition, please complete the Tangerine Times newspaper front page on someone you think is inspirational and why.
- Include a picture and stats to justify why your subject is so inspirational.
- The text itself can be either factual or emotive, but it must say why this person is inspirational to you and others.

The competition will run through October.

Competition entries should be left with school reception by 12pm Friday 27th October.

Winners of the competition will be announced by Blackpool FC Community Trust and Blackpool FC on Tuesday 31st October.

Good luck.
